

ICCESB 2025

International Conference on
Civil Engineering and Sustainable Building

Bangkok, Thailand

October 20–22, 2025

CONFERENCE INTRODUCTION

2025 International Conference on Civil Engineering and Sustainable Building (ICCESB 2025) will be held during October 20-22 in Bangkok, Thailand. The event is sponsored by King Mongkut's University of Technology North Bangkok, Thailand and Environment and Agriculture Society.

ICCESB 2025 targets to attract researchers and practitioners from academia and industry together to discuss the latest advances and developments in these fields. The event will serve as an international platform for knowledge sharing and create a good atmosphere for collaborative launches. This conference will include contributions from distinguished plenary sessions and lecturers, oral presentations, poster sessions and technical exhibitions related to topics dealt with in the scientific programme.

KEYNOTE SPEAKERS

Prof. Wannawit Taemthong
King Mongkut's University of
Technology North Bangkok, Thailand

Prof. I-Tung Yang
National Taiwan University of Science and
Technology, Taiwan

Prof. Pen-Chi Chiang
National Taiwan University, Taiwan

PUBLICATION INFORMATION

All full paper submissions will be peer reviewed and evaluated based on originality, technical and/or research content/depth, correctness, relevance to conference, contributions, and readability. Accepted papers will be published into international conference proceedings in **Springer book series: Lecture Notes in Civil Engineering**, which will be submitted to **El Compendex , Scopus**, Inspec, SCImago, ZbMATH etc for indexing.

CALL FOR PAPER

Topics of interest for submission include, but are not limited to:

Architecture and Urban Planning

Architectural Design and Theories
Theories of Architecture
Urban Planning and Design

Civil and Structural Engineering

Structural & Construction Engineering
Road & Bridge Engineering
Geotechnical Engineering

Building Materials and Construction

High-rise Buildings and Large-span Structures
Building Energy Conservation and Green Architecture
Individual Buildings and Building Types

Sustainable Building

Green Building
Healthy and Comfortable Indoor Environments
Indoor Air Quality in Buildings

IMPORTANT DATE

Submission Deadline	Before May 25, 2025
Notification	Before June 15, 2025
Registration Dealine	Before June 30, 2025
Conference Dates	October 20-22, 2025

SUBMISSION METHOD

Online Submission System:

<https://confsys.iconf.org/submission/iccesb2025>

If you encounter any submission issues, please contact Email:iccesb@chairmen.org
